

ADDITION TO POLICY ON JOINT ACTIVITIES (10-13-2016)

Joint trips will only be permitted if the other entity has liability insurance. Proof of the coverage must be obtained by the OCSJ leader.

Overnight activities, which charge money, require all participants to be OCSJ members.

All OCSJ members and members of the other organization involved in the joint activity must sign our Sign In & Waiver form.

If other group has a similar form and requests OCSJ members sign, OCSJ members should follow their policy.

The guest policy will still allow a non-member to come on 1 activity before membership is required.
