The officers and members of the Board of Trustees actively seek and welcome your comments, suggestions or recommendations towards the fulfillment of our aims and objectives. Our progress and success are dependent upon the quality and effectiveness of our leadership. Your participation in activities, committees, or in programs and projects is solicited.

When you have questions, need further clarification, or require additional details, you are welcome to call the pertinent committee chairman.

MEETINGS

Club members are invited to attend the monthly meetings. The Board of Trustees meets each month. See schedule for locations. After the business session, some meetings will feature a program presented by the various activities. Everyone is welcome! Come out and support your representatives.

A Message From The President

The Fall trips and events are here. The leaders have organized some great trips for the Fall cycle which covers October through December. It is a great time of the year when there are trips and events for every activity section.

We offer activities for all ranges and continue to offer beginner trips to attract new people as well as continue offering modest activities. We are also always on the lookout for new ideas and activities. Leaders come up with new activities all the time, and if you have an idea, let your trip leader know or write me about it.

As a member, you can become involved in the club from leading to participating in the club organization. The club appreciates help in many activities, committees, and board functions, which keeps the OCSJ going strong. If you would like to learn more, please contact me.

Have a great Fall season and enjoy the activities and thank the leaders for all the volunteer efforts.

Tom Neigel,
OCSJ President

NEWS AND NOTES

CHECK THE OCSJ WEBSITE FOR THE LATEST TRIP INFORMATION INCLUDING ADDITIONS AND CANCELLATIONS.

Carpooling, ride sharing or anything similar is strictly a private arrangement among the participants and not part of the official Club Activity. Participants assume the risks associated with this travel. The choice to participate is yours.

Minors (under 18) should be listed on sign-in sheets and parent or guardian sign for them.

TRAIL MAINTENANCE

Leaders be aware that the Club is now a participating member in the New Jersey Parks VIP (Volunteers In Parks) program. This means that trail maintenance we organize in State Parks is to be run through the VIP Program. This requires notifying the park before the activity, and sending a copy of our sign-in sheet to the park. We are not permitted to use power tools of any type. Trail maintenance done on trails not on NJ State Park property must be reviewed by the board for coverage.

PARTICIPATION NOTICE

The Outdoor Club, its officers and leaders, shall not be liable for any injuries, illness, loss or damage to any person or property, as a result of participation in any Club outing. Each participant assumes all risk and liability connected therewith. All persons, MEMBERS ALIKE, are to sign with the leader at each activity.

BACKPACKING/CAMPING

A Message from the Backpacking/Camping Activity Chair

All backpacking and camping trips begin with a club sign in and waiver sheet. Everyone must sign for liability reasons. Members are welcome to bring a non-member friend as a guest. Non-members are welcome for an initial trip, but need to join thereafter.

Be sure to check the backpacking and camping sections of the club's website for updates, new trips and cancellation notices.

The backpacking section needs a couple of new assistant leaders. Please call or send an e-mail if interested. We will train you.

Bruce Steidel
backpacking@ocsj.org

BACKPACK TRIP RATING SYSTEM

1. **NOVICE:** 5 or less trips - mild weather, relatively flat terrain.
2. **INTERMEDIATE:** 5 or more trips - mild weather, moderate climbs - up to 8 mile trips.
3. **ADVANCED:** 10 or more trips - three season, except winter. Strenuous climbs over difficult terrain - upgraded equipment.
4. **EXPERT:** Leadership experience or comparable ability - all seasons - good physical condition - completely equipped for all terrain and weather.

BICYCLING

A Message From the Bicycling Activity Chair

By the time you're reading this, the unbelievable HEAT of the Summer of 2010 will have hopefully subsided. We can only wish that the Fall will bring some cooler riding weather.

While it was a very dry summer (which meant lots of riding for some) it ended up being a very accident-riddled season. Riders of all levels and various club affiliations were involved in numerous pile-ups, some very serious. We lost a great friend in Lee Jordan, who succumbed to serious injuries from his crash. It's imperative that everyone take a step back and evaluate not only themselves as a cyclist, but our group rides as a whole. What are we doing wrong? What can we do to be safer? While not every accident was caused by a cyclist, we all can certainly do a better job at keeping our rides safe. If you would like to personally improve your skills, consider taking a Safe Riding course like the one offered by our own Fran Horn. You would be surprised at how much you don't know despite your experience level. If you see anything that we can do to make our rides safer, please let your leader, Ride Coordinator or me know.

As always, we need more ride leaders in all classes. The more leaders we have, the more rides we have. Cue sheets are available on the website, and most leaders would be willing to give advice and assistance to a first-time leader.

Please step up to the challenge and lead a ride this fall.
Ride safely and ENJOY THE (hopefully) COOL FALL!

CANOEING/KAYAKING

A Message from the Canoeing/Kayak Activity Chair

Always check the website for current information. You must wear **your PFD**. Assess suitability of equipment and your abilities. Wear appropriate clothing and have at least one change of clothes in a waterproof bag. Leave sufficient driving time. Any questions call leader.

Thank your leader, they make trips possible.

HIKING

A Message from the Hiking Chair

Hiking with the club is good exercise and a great way to make new friends. Our fine leaders offer a broad range of hikes in terms of distance, pace, days and times. Hike descriptions include distance, pace and abbreviations such as WF (wet feet possible). Explanations of them and standard hike meeting places are elsewhere in this Trekker. Distances listed in hike descriptions are approximate. They can vary due to conditions, detours and other factors. If you have questions about a hike, feel free to call the leader.

Hikes usually start promptly at the stated time. Please leave sufficient driving time to safely arrive about 15 minutes early. All hikes begin with a club sign in and waiver sheet. Everyone must sign for liability reasons. Members are welcome to bring a non-member friend as a guest. Non-members are welcome for an initial trip, but need to join thereafter.

Be sure to check the hiking section of the club's web site for updates, new trips and cancellation notices, including last minute ones. On rare occasions hikes have to be canceled at the last minute without notice due to freak weather, illness, etc. If the leader is not at the designated meeting place 15 minutes after the starting time, you can assume the hike is canceled.

All our leaders are volunteers. Please thank them for their efforts while hiking with them. And we are always in need of new leaders and assistant leaders. If you are interested, talk to a current leader and/or send an email to hiking@ocsj.org.

Bruce Steidel

X/C SKIING and SNOWSHOEING

A Message from the X/C Skiing & Snowshoeing Chair

The excitement of winter skiing and snowshoeing is only a few months away. Don't be left out. Your leaders have put together a wonderful schedule of trips for a weekend or a week. Check the website: www.ocsj.org for details, or call or Email the leaders listed for the trips you are interested in. Remember that a deposit holds your place on a trip.

Also, check the website for the location and date of the Fall X/C ski meeting. A good time to sign up for the trip of your choice.

PREVENT LYME DISEASE

Don't avoid the "great outdoors"! Just remember to take the proper precautions!

While no one can guarantee that you will not be bitten by ticks or contact Lyme disease, here are some tips that may help protect you from tick bites.

WEAR THE PROPER CLOTHING

When in tick infested areas, light colored clothing will help you spot ticks.

- Wear long sleeved shirt tucked into pants.
- Tuck slacks into high socks or put elastic or tape around cuffs.
- Wear a hat and fully-closed boots or shoes.
- Apply a personal insect repellent according to the directions on the label.
- Check frequently for ticks. Use a buddy system
- After an outing, look for ticks on your skin, clothing and gear.
- Examine entire body carefully. Pay special attention to areas with bodyhair, scalp, back of neck, especially if you have long hair.
