

Current policy requires leaders to lead the following number of activities to qualify for free membership: XC - 1. Biking - 5. Canoe/kayak - 3. Hiking - 6. Backpacking -2. Current policy also requires trip leaders to turn in the sign-in sheets for these activities to qualify. (Scanning and emailing them is acceptable as long as the physical sheets are kept and sent to Activities Co-Ordinator at the end of the year.)

Leaders who do not meet these requirements must be removed from leader status before there are any automatic free renewals.
