

## **Participation Policy**

OCSJ is a member organization that requires dues. Membership funds pay for insurance and other Club overhead.

Members of OCSJ may bring, with leaders' approval, a guest once on 1 of every type of activity. This includes day trips charging money.

Participants on trips which charge money must be members of OCSJ or 1 time guest of a paid member, except where the trip is a joint trip with another club, which has liability insurance, and the participant is a member of that club.
